STAFF RECOMMENDATIONS

LUP-11 JESSICA BRENNAN

There are twelve criteria that must be considered for a Temporary Land Use Permit. The criteria are below in italics, with the Staff analysis following in bold.

- (1) *Safety, health, welfare and moral concerns involving the surrounding neighborhood.*
This request has the potential to affect the safety, health or welfare of the surrounding properties due to the increased traffic from non-residents.
- (2) *Parking and traffic considerations.*
Clients will park in the driveway.
- (3) *Number of nonrelated employees.*
There are no employees being requested.
- (4) *Number of commercial and business deliveries.*
There are no commercial deliveries associated with this request.
- (5) *The general presumption of the board of commissioners that residential neighborhoods should not allow noncompatible business uses.*
The single family residential nature of neighborhoods in the County could be harmed by disruptions from the increased of traffic in the area.
- (6) *Compatibility of the business use to the neighborhood.*
The fundamental natures of most businesses are incompatible with neighborhoods.
- (7) *Hours of operation.*
The hours of operation will be 9 a.m. until 6 p.m., one to two days per week.
- (8) *Existing business uses in the vicinity.*
There are no known businesses surrounding the property.
- (9) *Effect on property values of surrounding property.*
This request has the potential to effect property values.
- (10) *Circumstances surrounding neighborhood complaints.*
The request is not the result of a complaint of the Code Enforcement Division.
- (11) *Intensity of the proposed business use.*
This application is an increase of the residential use and could erode the low intensity character of the neighborhood.

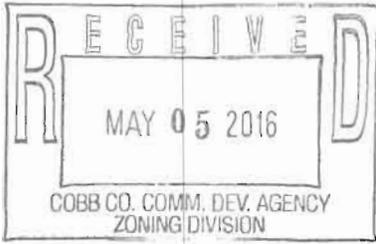

LUP-11 JESSICA BRENNAN (Continued)

(12)Location of the use within the neighborhood.

This proposal is located in a platted subdivision and surrounded by residential uses.

Based on the above analysis and a strict interpretation of the Code, Staff recommends **DENIAL** of the application.

The recommendations made by the Planning and Zoning Staff are only the opinions of the Planning and Zoning Staff and are by no means the final decision. The Cobb County Board of Commissioners makes the final decisions on all Rezoning and Land Use Permits at an advertised public hearing.
